### Happy September!

It's hard to believe it's September already, and that we've already completed nine days of school. It makes me smile every morning to see parents dropping off kids fired up and ready to start a new day. Thank you for reading this and returning the folder and materials like completed lunch applications and extracurricular registrations right away. It's one of the many things that go into keeping our school running smoothly.

### Title I Classes

Title I consent forms are in today's folder. Returning preschool through eighth grade students who have signed consent forms will begin Title I classes on Tuesday, September 8, 2015 (I made a mistake in last week's newsletter).

New students will be able to apply for Title I classes around mid-September to begin in October.

### Extracurricular Activities

Extracurricular activities begin Tuesday, September 8. A registration form is in today's folder, to be signed and returned before starting. There is no charge for most of the activities. If there is a fee, the amount is noted on the registration.

### Getting the Word Out

Thank you to the many parents who have placed our new signs in their yards. We've already received a few calls!

Also, if you haven't already please like us on Facebook, and follow us on our new Twitter and Instagram (@StMichaelArch1).

### New Superintendent

We are excited to welcome Dr. Jim Rigg as the new Superintendent for Catholic schools in the Archdiocese of Chicago, the largest private school system in the United States. Dr. Rigg has led the school system for the Archdiocese of Cincinnati for the past five years, and like Ms. Jones and me (Mr. Rees), he is a graduate of the University of Notre Dame's ACE Teaching Fellows Program. Please join us in welcoming Dr. Rigg, who will start on October 5, 2015.
