Bring a Friend; Open House Afternoon

We are still enrolling new families, and we are again asking for your help. On Monday, September 28th, we are having an early dismissal at 1:15, then an opportunity for you to bring a friend, family member, coworker, or neighbor to meet the teachers in their classrooms from 1:30 to 3. From 3 to 4, Mr. Escobedo will be offering a high school and scholarship information session. 8th grade parents are especially encouraged to attend. We wouldn't have been able to have the last couple months' growth without your support, so again thank you!

Referral Program

As a way of showing our gratitude, we are still offering a referral bonus. If an enrolled family brings in a new family, both families will receive an entire month's tuition credit. Our open house afternoon would be a good opportunity to capitalize on our referral discount. Once more, thank you for the efforts you put in to spread the good news about our school.

NWEA/MAP Testing

MAP (Measures of Academic Progress) testing continues this week. In order to help your children do their best, please ensure that they have a full night's sleep (9-10 hours) every night and they eat a balanced breakfast (available here at school starting at 7am).

Welcome Ms. Jones!

This week, we welcome and recognize Ms. Jones, our new 5th grade homeroom and middle school English & Language Arts teacher. Ms. Jones is an alumna of St. Thomas More School (near 81st & Western), Mother McAuley, and Notre Dame. She spent her summer as a teacher, mentor, and student in two of Notre Dame's ACE programs. We are blessed to have her on our team. Please say hello when you see her around the school or blacktop.
