Contact Information Updates

In three weeks, we have already received most of the contact information updates. Only 32 remain! If you have not yet returned the update with corrections or an “OK,” we are sending another home today.

And, as we mentioned at back-to-school night, we have started a basic calendar on Google calendar. Please make sure your email is updated so we can share this with you.

St. Michael Festival

The festival was a success! Thank you for your participation and attendance.

School Picture Day Tomorrow

Tomorrow is school picture day. Students may dress up for pictures. All students will have their pictures taken.

If you would like to purchase pictures, please send one envelope per student with exact payment.

Pre-K & K Seats Available

We still have seats available in our Pre-K and Kindergarten classes with our excellent, experienced teachers. We accept Illinois Action for Children, and tuition is typically less expensive than daycare. And remember, if you refer a family, both they and you will receive a month’s tuition credit at the end of the year.

Playground Open!

For the past couple years, our playground has been out of use. This past Saturday, 60 volunteers from Northwestern’s Kellogg School cleaned our entire school and revitalized our playground.

Street Safety

Please adhere to our drop-off and pick-up procedures as we cooperate with the police to ensure safe transitions.

To drop off your children, please pull over to the east side of South Shore Drive, facing north. Please do not execute U-turns. At the end of the day, Pre-K families may park on South Shore Drive in the same manner as drop-off to come inside to pick up their children. K-8 students are picked up at the blacktop. If you arrive early enough to park, please do so that the car will not have to be in reverse when children are in the parking lot. While these guidelines may not be convenient or quick, we feel that our students’ safety takes priority, and we appreciate your understanding.
