Pre-K & K Seats Available

We still have seats available in our Pre-K and Kindergarten classes with our excellent, experienced teachers. We accept Illinois Action for Children, and tuition is typically less expensive than daycare. And remember, if you refer a family, both they and you will receive a month's tuition credit at the end of the year.

Halloween Party 10/28 4-6

Tickets to the Halloween party are on sale in the office for \$6 and include a hot dog, chips, candy, a drink, and admission to the haunted house. All students must be accompanied by a parent or adult guardian. We are still looking for parents to come in and help out any time between 2 and 7. Please contact the office if you can. Remember, if you receive financial aid, we ask you to volunteer 12 hours of your time (6 before January). Also, we ask students to bring a bag of candy.

Update Records

Our office staff is working hard to be sure that our records are updated with documents like physical and immunization forms. It is important to the safety of our students that these are up-to-date. Kindergarten students need physical, dental, and vision forms. 2nd grade students need dental forms. 6th grade students need physical and dental forms. New students need physical forms. Thank you for your cooperation with our requests.

Payment

Thank you for staying current with tuition and bills. If paying by check, please ensure that your account has sufficient funds. We have to levy a \$35 fee for returned checks. We also accept cash, credit, and debit.

Survey

Remember, we ask that all parents take a few minutes to take the Catholic Identity Survey here:

Contact Information Updates

In three weeks, we have already received most of the contact information updates. Only 31 remain. If you have not yet returned the update with corrections or an "OK," we are sending another home today.
