Pre-K & K Seats Available

We still have seats available in our Pre-K and Kindergarten classes with our excellent, experienced teachers. We accept Illinois Action for Children, and tuition is typically less expensive than daycare. And remember, if you refer a family, both they and you will receive a month’s tuition credit at the end of the year.

Update Records

Our office staff is working hard to be sure that our records are updated with documents like physical and immunization forms. It is important to the safety of our students that these are up-to-date. Kindergarten students need physical, dental, and vision forms. 2nd grade students need dental forms. 6th grade students need physical and dental forms. New students need physical forms. Thank you for your cooperation with our requests.

Payments

Thank you for staying current with tuition and bills. We have an exclusion day coming up in two weeks. If paying by check, please ensure that your account has sufficient funds. We have to levy a \$35 fee for returned checks. We also accept cash, credit, and debit.

Survey

Remember, we ask that all parents take a few minutes to take the Catholic Identity Survey here:

Contact Information Updates

Thank you to those that already returned the contact information updates. We received a few last week, and now only 28 remain. If you have not yet returned the update with corrections or an “OK,” we are sending another home today. Communication between home and school is crucial.

Taffy Apples

Thanks to those that sold taffy apples to work towards their \$300 fundraising commitment. There are still some available for pickup or purchase.
