Pre-K & K Seats Available

We still have seats available in our Pre-K and Kindergarten classes with our excellent, experienced teachers. We accept Illinois Action for Children, and tuition is typically less expensive than daycare. And remember, if you refer a family, both they and you will receive a month's tuition credit at the end of the year.

Update Records

It is important to the safety of our students that our records are up-to-date. Kindergarten students need physical, dental, and vision forms. 2nd grade students need dental forms. 6th grade students need physical and dental forms. New students need physical forms. Thank you for your cooperation with our requests.

Payments

Thank you for staying current with tuition and bills. We have an exclusion day coming up next week. If paying by check, please ensure that your account has sufficient funds. We have to levy a \$35 fee for returned checks. We also accept cash, credit, and debit.

Survey

Remember, we ask that all parents take a few minutes to take the Catholic Identity Survey here:

Parent Support

Your support of our school is part of the foundation that makes St. Michael a great community. We do not condone violence or physical threats, even in retaliation. We appreciate you reinforcing that with your children. Together we build a safe, Christ-centered space for our students to become lifelong learners.

Uniform Code

Also, please review the enclosed uniform code and make sure your child is in compliance when they leave in the morning. Thank you.
