Thurs.	Dec. 22	<b>No school - Christmas Break Begins.</b> We will return Wednesday, 1/4.

### Pre-K & K Seats Available

We still have seats available in our Pre-K and Kindergarten classes with our excellent, experienced teachers. We accept Illinois Action for Children, and tuition is typically less expensive than daycare. And remember, if you refer a family, both they and you will receive a month's tuition credit at the end of the year.

### Update Records

Kindergarten students need physical, dental, and vision forms. 2<sup>nd</sup> grade students need dental forms. 6<sup>th</sup> grade students need physical and dental forms. New students need physical forms. All students need emergency contact forms – we are still missing 6 of these. Thank you.

### Parent Volunteers Needed

We are in need of parent volunteers for things like chaperoning field trips and monitoring students at lunchtime. Enclosed is a letter with details on what you need to do in order to volunteer with students, and the two required forms. Our school and our students greatly benefit from your involvement and support. Please contact the school office if you can help or have any questions.

### Inclement Weather & School Closures

Remember, if CPS closes, we will close. There may be days that CPS does not close and we do. We will use our all-call system to notify you in the event that we close. Thank you again for keeping your phone numbers up-to-date in the school office so we can stay in touch.

### Uniform Code

Thank you again for your awareness and support with our school uniforms. Last week we sent a copy of our uniform code. Students that wear boots to school will change into dress shoes when they arrive to school. Student compliance with the uniform code may result in prizes, games, or an extra 5 minutes of recess. Students that are not in uniform may be told to change, held from class, or given a silent lunch. Last, in the colder weather, thank you for ensuring children have appropriate jackets, hats, gloves, scarves, etc.
