Sun.-Sat.	Jan.29-Feb.4	Catholic Schools Week

Pre-K & K Seats Available

We still have seats available in our Pre-K and Kindergarten classes with our excellent, experienced teachers. We accept Illinois Action for Children, and tuition is typically less expensive than daycare. And remember, if you refer a family, both they and you will receive a month’s tuition credit at the end of the year.

Update Records

Kindergarten students need physical, dental, and vision forms. 2nd grade students need dental forms. 6th grade students need physical and dental forms. New students need physical forms. We now have 100% of emergency contact forms after last week’s reminder! Thank you.

Tuition Payments

Today we are sending notices to families that have unpaid balances. Because of the Christmas holiday, we did not have a tuition exclusion day in December. Thank you to all that have made efforts to stay current. Our next tuition exclusion day will be tomorrow, Wednesday, 1/18.

Testing

Our winter round of NWEA/MAP testing has begun. Please make sure your children are well-fed and -rested.

Student Attributes

We are making significant progress with our work with the attributes of St. Michael students. Based on student input, the faculty identified four main attributes: St. Michael students are respectful, responsible, thoughtful, and safe. Using this framework, as we start the new year we are focusing on how students interact with adults. Your support is critical; thank you.

Tuesday Newsletter

Thank you again for reading our communications. It was a pleasure to see many students dressed down because of last week’s special newsletter treat!
