We still have seats available in our Pre-K and Kindergarten classes with our excellent, experienced teachers. We accept Illinois Action for Children, and tuition is typically less expensive than daycare. And remember, if you refer a family, both they and you will receive a month's tuition credit at the end of the year.

### Update Records

Kindergarten students need physical, dental, and vision forms. 2<sup>nd</sup> grade students need dental forms. 6<sup>th</sup> grade students need physical and dental forms. New students need physical forms. We now have 100% of emergency contact forms after last week's reminder! Thank you.

### Tuition Payments

Thank you to all the families who met with us regarding past due tuition, we truly appreciate your cooperation on this sensitive matter. If you have not had a chance to meet with us, please contact the office to schedule an appointment.
